A fun brain exercise
to keep you mentally sharp

INSTRUCTIONS

Move all your pieces to the enemy base before your opponent does so.

Rules:

Click to move a marble to an adjacent empty space, or jump over other pieces for consecutive hops.

When you have finished making the moves, click the moving piece again to end your turn.

A piece cannot end its move on the 4 topmost rows of the bases except its own or the enemy base, but can jump to it and jump out of it immediately.
